

# Selecting Your DirectLine<sup>®</sup> Durafet<sup>®</sup> pH Loop is Easy as

DirectLine<sup>®</sup> 421 – with DL1000 Durafet Electrodes

Simply Follow The Color Code:

## SENSOR MODULE AND OUTPUT CABLE

The measurement is pH so the DirectLine Sensor Module is a DL421.

Sensor Module

Use MSG 51-52-16-71 to order by catalog number and pick DL421 from the Key Number Table.

For stocking purposes, order part number P/N 51500259-001.

Output Cable

Every module needs an output cable. There are two lengths to pick from—20 feet or 50 feet.

Use MSG 51-52-16-71 to order by catalog number  
"B" for 20 feet or  
"C" for 50 feet from Table I.

For stocking purposes, order part number P/N 51500271-001 for 20 feet or P/N 51500271-002 for 50 feet.

## INTEGRAL MOUNTING

Integral mounting is available for types 7777 In-line mounting

Use MSG 51-52-16-71 to order by catalog number. Pick:

"0" from Table II and  
"A" from Table III and  
any options in Table IV.

## REMOTE MOUNTING

Remote mounting is available for types 7777 (In-line and Immersion), 7774 (Insertion/Removal), 7758 (Pipeline) Sanitary Twist Lock

Remote Cable

Remote Mtg. Kit

Use MSG 51-52-16-71 to order by catalog number. Select from Table II:

"1" for 20' Durafet remote cable or  
"2" for 50' Durafet remote cable  
"B" from Table III to get the Remote Mounting Kit and any options in Table IV.

For stocking purposes, order part number P/N 51500270-001 for 20' remote cable P/N 51500270-002 for 50' remote cable P/N 51500526-001 for the Remote Mounting Kit.

## INTEGRAL DURAFET MOUNTINGS

If you have selected a mounting installation for: 7777 (In-line and Immersion), and you want to mount the DirectLine Sensor Module on your cell:

Use DL4000 MSG 51-52-16-72 to pick a Durafet Integral Mounting.

## REMOTE DURAFET MOUNTINGS

If you have selected a mounting installation for: 7777 (In-line and Immersion), 7774 (Insertion/Removal), 7758 (Pipeline Bushing) 7794 (Sanitary), TL1000 (TwistLock)

and you want to mount the DirectLine Sensor Module remotely on the wall, a pipe or DIN rail

Use DL4000 MSG 51-52-16-72 to pick a Durafet Remote Mounting

## INTEGRAL

Type	Description	Model Number
7777	In-Line	DL1-772-0000

## REMOTE

Type	Description	Model Number
7777	In-Line	DL1-771-0000
	Immersion	DL1-773-0000
7774 Insertion/Removal	CPVC	DL1-741-0000
	316SS	DL1-742-0000
7758 Pipeline Bushing	Polypropylene	DL1-581-0000
	316 SS	DL1-582-0000
7794 Sanitary	1.5" Flange, 2.29" Immersion	DL1-941-0000
	2" Flange, 2.83" Immersion	DL1-942-0000
	3" Flange, 2.53" Immersion	DL1-943-0000
	1.5" Flange, 2.91" Immersion	DL1-944-0000
	2" Flange, 3.72" Immersion	DL1-945-0000
	3" Flange, 3.73" Immersion	DL1-946-0000
TL1000 Twist Lock	Mounting Bushing - 316SS, Kynar, CPVC	See TL 1000 MSG 51-52-16-74
